

Chemistry 200/400/408 Registration Form

Name: _____

UT ID #: _____

Email: _____

Selection Guide:

- Senior
- Chemistry Major
- Honors
- None of the above
- Continuing with same professor

- Chemistry 200 is open to all students (except Chemistry majors with senior standing) pending professor's acceptance.
- Chemistry 200 may not be used toward a major or minor in chemistry.
- Chemistry course numbered 230 or higher is a co-requisite to Chemistry 200.
- Chemistry 400 and 408 are only offered for Chemistry majors with senior standing.
- Chemistry 400 requires a written report of each semester's work to be presented to the professor.
- Chemistry 408 is required for an Honors degree and includes a written thesis and oral defense before a faculty committee. This thesis must be submitted electronically to the Associate Department Head.
- Chemistry 200 may be repeated for a maximum of 4 hours.
- Chemistry 400 may be repeated for a maximum of 6 hours.

- 200
- 400
- 408

Semester:
